ROAD CONSTRUCTION PLANS UNDERWAY IN MORGAN COUNTY AS HIGHWAYS IMPROVE

Facts On Progress Made Public Today By the Goodrich Company

85 MILES OF HIGHWAY HAVE ASPHALT COAT

Many Sections, Heretofore Without Good Roads, Will Be Benefitted

Branching out in every direction are the highways of the county, and many projects of construction are now being carried forward in every section of Morgan county. From G. C. Goodrich, of the Goodrich Construction company, who has the contract for a large portion of the road construction in the county, was ascertained the following facts relative to the progress and character of the work.

Since July 1 this company has put to work three separate outfits on the Decatur and Danville road; two on the Valhermosa road; one on Floretto road; one on McKendree Chapel road, and one outfit on Hartselle Danville road.

pany calls for the asphalting of85 nifes of road in the county. On the various projects of this company now being carried forward, they have 10 miles graded and ready for stone; one phalted. all

The McKendree Chapel road traverses a section of country hitherto without good roads, it being through a section of the county where creek bottoms abound, and during the wet séason travel is almost impossible.

The Valhermosa Springs project is also a new road, opening up a far eastern section of the county and connecting it up with the other pikes, making it possible to get to the railroad places during any kind of

Florette road is another section that has not enjoyed the benefits accrueing from good roads, this one will the county line of any county adjoining Morgan, and go to any other section of the county with some degree kind of weather.

Good Fellowship Marks Session Of Voters To Launch Campaign

Municipal politics opened in the city of Albany Friday night with a mass meeting at the city hall, said to have been one of the largest attended of any similar meetings in years. The meeting was opened by Mayor E. C. Payne, who stated in his usual forceful style the purpose for which the meeting was called, and acted as chairman until nominations for permanent chairman were made. Judge William E. Skeggs was unanimously selected as permanent chairman, responding with a well timed speech, calling attention to the great importance attached to the efforts of the meeting, and the far reaching effects depending upon the wise decision of

the mass meeting as a whole.

His rulings were deemed fair and mpartial throughout the entire proceedings, and many compliments were heard today on the wise counsel given by him, and the great unity and good fellowship enjoyed throughout. Henry Hartung was chosen as permanent secretary.

It Has Two Ovens Burns Wood, Coal or Gas

IF you would know the perfect satisfaction, the time saved and the actual convenience of having a range in your kitchen that is ready for instant use winter or summer-see this wonderful "Advance" combination next week. It occupies only the floor space of a coal range, yet it gives you all the conveniences of a gas range. No complicated parts, just a simple coal range with a coal oven and a simple gas range with a gas baking oven

Advance Stoves & Ranges

The old-style single oven combination range was open to so many objections that it was absolutely necessary to develop a perfected range that would burn three fuels, with positive satisfaction. With the "Advance" you may bake in both evens at the same time, if desired, and use the gas broiler and gas cooking top as well. The gas oven and broiler are elevated-no stooping-a feature in itself that every woman will thoroughly appreciate. There are four 8-inch ribbed covers for coal, four gas burners, one simmering burner and an automatic pilot light, elevated gas oven and gas broiler. Just a small eash payment delivers it to your home—the balance on easy terms.

Robinson Wins In Recount Of Box

A recount of West Albany votes was made at the court house today at 10:30 o'clock as between Messrs W plorer, received by his sister here B. McCullough, the present incumbent on the board of revenue of the first district, and Jack Robinson, the successful candidate upon the fare of the returns, by four votes. The contest s entirely friendly as between the contestants, the second choice votes of the successful candidate determining his election. There is no fraud suspected in the holding of the election or the tabulation of the vote. The defeated candidate upon the face of the returns having reasons to believe that an error was made in the count and tabulation when the final count was made.

The result of the re-count gave Mr. Robinson two or three more majority was the information received after the count was completed. Mr. Robinson is now the nominee, so accredited by all concerned.

DODGE BROTHERS COMMERCIAL CAR

The car's long-established reputation for faithful, low-cost service has not influenced Dodge Brothers in their constant seeking after betterments.

A semi-floating rear-axle is now provided, embodying the latest ideas in rear axle design. The main housing is 75 per cent stronger. One large Timken bearing at the hub replaces two small bearings and gives 100 per cent greater carrying capacity. Larger ring gear and drive pinion make possible a new, tooth shape, giving quiet operation and 45 per cent increase in strength. Larger front and rear propeller shaft bearings more than double the drive thrust capacity.

Conservative changes in body lines have materially enhanced the attractiveness of the car's appearance.

The Price is \$970.00 Delivered
